I have been building and restoring classic cars, trucks, hot rods, and show quality cars for over 20 years. I can build you a car from the frame up. Or, If you have a project you're stuck on, don't have time to finish, or had someone else start it and didn't quite know what they were doing, I can finish it for you.

Send me an e-mail with a brief description of your project and pictures if possible, and we can go from there. I also build engines, Do custom chassis work, and install roll cages. Isx Is1 Is2 swap Payment plans are available as work progresses.

If you are looking for a certain car or truck, I can help you find it. I have contacts in southern and western states.
