Hello my name is Tina. I have been a stylist for 22 years now and enjoy making my clients happy with a look they love.

A little more about my back round. Started my journey in 1993 after completing a cosmetology program at Western Nebraska Community College. Continued my education by becoming a state certified cosmetology instructor in 2001. Taught at Josephs School of Beauty in Lincoln, Ne from 2001 to 2005. Clearly the combination of experience and teaching has helped set me apart from the average stylist.

I use only salon quality products. Services provided: coloring which includes foil highlights and low lights, specialty colors, color corrections/extractions, hair cuts, styling, formal styles, perm's, facial waxing, flat iron and more.
