hi I'm looking for someone to sublet the middle room in my 2 bdrm shotgun for June and July. What's cool for you is that I will be out of town for almost a month so you will mostly have an entire beautiful house all to yourself. What's also cool for you is that the room comes furnished with a full bed and bedside table and a chair and a lamp, and you can use my fully furnished kitchen if you'd like. I'm a kindergarten teacher and an artist who cooks a lot and works a lot and really likes my space esp kitchen to be clean and chill. I'm hoping to find someone who need a place to stay for a few months that feels like a home, who is clean and friendly and independent and conscientious and just trying to figure it out and live in the world. I would really prefer no pets but we can discuss I guess. Queer people//women who are cool w queer people preferred.

We have central air, stove/fridge/microwave, helpful landlords, ceiling fans in the bedrooms, friendly neighbors, an alarm system if you wanna turn it on, lots of closets, nice wood floors in the bedrooms, NO ROACHES, a biggg kitchen with room to hang out and chill, a lil yard in back and a lovely front stoop. Just a few min from the bayou, close to the quarter, 15 min bike ride up to the lake, close to rouses whole foods ideal market, close to major bus lines, close to esplanade, easy to get on the highway, and just generally very centrally located in the city.

Hit me back with information about yourself, who you are, why you need a place for two months, what questions you have, what you're hoping for. We can talk about paying a flat fee for utilities or paying for what you use, but water and electricity are not included in the rent. Get at!
