REDUCED Nebraska Huskers Grillware Skillet (19 USD)

Location lowa https://www.genclassifieds.com/x-459963-z

Great gift for the Husker fan that likes to cook, or just wants a unique piece to display in order to show their fandom. Never used, it still has the tags. Like much of what I'm selling, I'm quite fond of this, but must ease the burden of an upcoming move.

Please feel free to check out my other postings by clicking on the more ads by this user link.

Everything is priced to sell! Cash please. Bundled offers will be considered.
