Shannon is an 18 year old South African au pair that wants to be in Minnesota as she has a friend already living in Maple Grove as an au pair. She can work with children of all ages including infants. Her hobbies are horse riding, painting, swimming and reading. She is very anxious to find a Minnesota family and start as soon as possible.

One of the benefits of having a live-in Au Pair is having the extra help you need throughout the entire day. Your Au Pair can help in the morning, afternoon, evening, or even on the weekends and has a flexible schedule that can be tailored to fit your specific needs; up to 10 hours a day, 45 hours per week. The cost to have an au pair is \$353/week, this amount does not change based on the number of children you have. Au Pairs can help with light housekeeping, children's laundry, meal preparation, transportation, homework help and much more.

Since we are currently waiving our \$250 application fee, you can apply now by filling out our online application goaupair.com. You can start reviewing hundreds of qualified applicants today. There is no cost to you until you offer an au pair a position and they accept. It is risk free!
