Socialist democrat trash hate everything about this great nation:

they hate our capitalist system, our gun rights, our marriage laws, our immigration laws, our constitution, all southerners, the rich, the successful, our CHRISTIAN heritage, our country's history, conservatives, our military, our corporations, wall st, our free speech, our religious protected freedoms, and the American family unit.

Most of all they hate that I have the right to disagree with their filthy socialist agenda

Never vote for anti-American democrat trash
