I am looking for help with cleaning my hostel type rental, as well as a few other tasks. It's only about once a week.

It mostly entails cleaning my families rentals in Makawao and Kihei and helping with check-ins and check outs. Other tasks include helping with our car rentals, taking the car to be vacuumed, washed, and helping with airport pickups and drop offs.

I only use all-natural cleaning supplies and I have them all at the house for you to use.

I also sometimes need help in my office, sorting, organizing, filing and sometimes with packing and moving things.

I am looking for someone that is excited to work and has a positive attitude.

If you are a hard worker, organized, and are really efficient, you will love this job.

I am very easy to work for and am very flexible.

It would help if you have a flexible schedule since the check ins/check outs of the house and car rental are sporadic.

The rate is \$15 an hour. If you are interested, please send me your age and a little about you and a couple on-island references from someone who can vouch for your work.

Looking forward to hearing from!
