Your background, education, ethnicity, lifestyle, age does not matter. Your drive, determination, passion and compassion does.

Do you feel stuck in your job, unappreciated or are you open to making more money outside of your current position or seeking a REAL career opportunity?

Part-time/full-time - set your own schedule.

We are a leadership development company partnered with companies like Mutual of Omaha, TransAmerica, Fidelity & Guaranty and Foresters and are looking for good people who want to build a dream income for themselves while helping others.

With thousands of Americans retiring every day for the next 20 years, they are seeking us out. We help them with Mortgage Protection, Wealth Management, and Final Expense Insurance.

I am interested in speaking with you as we have a lot of qualified leads in the area and need a few more good people to help them.
