I'm looking for a roommate to share a quiet, two-bedroom row house in Butcher's Hill one block from Patterson Park. The bedroom includes a private bathroom and a full walk-in closet. The house is set up well for roommates, with bedrooms at opposite sides of the house affording some privacy, each with its own bathroom. Downstairs is the living room/dining room area, hallway, half bathroom, kitchen, washer-dryer area, and a closet large enough for a bike. There's a small patio out back set up with deck chairs and a grill. Additional storage space is available in the basement. Dogs are welcome, but the landlord does not permit cats.

The house is in a friendly, residential neighborhood, one block from the park. The neighbors say hello, and sit on the stoop when the weather is nice. It's walking distance to Fell's Point, Canton Square, and neighborhood bars and restaurants.

The bedroom will be available beginning July 1st, but I can be flexible if needed. I'm an attorney in my early thirties. I'm originally from New York, and have been living in Baltimore for just over two years. I'm responsible about the things that matter and laid back about the things that don't. I'm looking for a like-minded housemate. If you are interested please send me an email with a little bit of information about yourself. More pictures are on the.
