Looking to jam out mainly. I have a lot of serious music that I'd like to actually build on as well as expand my reportoir. Please serious inquiries only. I'm dead serious about playing in a band, I can rock out vocals ( pretty much anything...I've won karaoke comps by singing Santeria by sublime.) Plus I can play a pretty mean guitar. Let me know your interest and logistics. I take my music as serious as Batman takes dead parent jokes.
