Wouldn't you love to leave your worries, stresses, aches and pains behind for an hour or two? Time to just get away from everything to relax and renew.

My name is Kiyra and I invite you to join me for a truly relaxing full bodywork session for you - one you will remember - incall or outcall.

I am also able to team with my big sister Kimora (she is 22 and I am 21). We can work together as a team but I am also available to work with you on my own. Sessions available for individual males or females, or for couples.

My ancestry is Pacific Islander and Latina.

I am trained in a variety of techniques to help you to relax.

I offer Outcall to your hotel or home or Incall at my location minutes from the Strip. 24/7

My clients love my sessions, returning again and again. You will too.

Call or text for rates and availability. Please no emails.
