We are a production company from California in town for a one-day special event and we need able-bodied hard-working people to make up a crew for a TV show and event in Sun Valley. We are setting up tables, chairs, dance flooring, drape and event items at this time.

We need two crews in total for July 1st from 7:00AM until 3:00PM and a second crew from 8:00AM until Noon on July 2nd. Each contracted person will be offered \$15.00 per hour, cash, but will be required to sign a confidentiality agreement and your phone or camera will be put away during your work period! Lunch will be provided on both days for you and you **MUST** be able to have reliable transportation to and from the site.

We want a great team for this show to go well, so lets get you!
