Large family seeking a long-term rental home (purchase option possible) in China, Chelsea, Jefferson, Whitefield, Windsor, Vassalboro or Palermo etc., lease to begin this summer. A big ol' farmhouse would be ideal, but please, no extensive-work required "fixer-uppers". Wood and/or electric heated homes preferred. We have excellent references and proof of employment / income. Looking to pay \$1,000-\$2,000/month.

Please, no partial home rentals or "built-in roommate" situations (this may sound like a bizarre request but we have run into these situations).

Please reply via email, photos and information very much welcome and appreciated.
