Adorable Tea Cup Purebred Yorkies

AKC registered Purebred Yorkies , 8 weeks old, 2 adorable and baby face girls. They currently have shots, vet exam with perfect health, and deworming several times since they were born. Tail dock and dew claws were done. Their colors are tan, gold, and black now. They would turn to blue steel color when they grow up like their parents. Dad, Leo is 3 pounds and Mom, Lucy is 4 pounds. Parents are on site. They will be between 3.5 or 4.0 pounds for full growth as their parents. They are so playful, smart, friendly, companion, mellow, sweet, energetic, and hypoallergenic with people even kids. They had been done for home grooming train, crate train and inside and outside for potty train. The free value puppy kit will be provided to all puppies when they go to their new homes. The package includes Royal Canin wet and dried food specialized for Yorkies, 1 pack of 3 puppy pads, 1 measurement food cup, and 1 Royal Canin vaccination record and puppy guide book . We have raised purebred yorkies with loves and cares over 25 years. These adorable Yorkie Pups are ready to go to your house with the health certificate and seller and buyer agreement health guarantee within a year. They are the great gift for any occasions. If you still see this ads then it is still active. Welcome to visit them. Due to fraud in the past, we don't accept personal check or credit cards. We take cash or money in minute ONLY. (fastest respond) for more information. Please leave a message if we can't pick up your call or email me. Thank you.
