

Are you a college female that vapes at least once per week

Location **Oklahoma**
<https://www.genclassifieds.com/x-461764-z>

Participate in a college student vaping study! Eligible participants must meet the following requirements: You must be a female college student between the ages 18-25 years old and you must vape at least once per week.

This study is collecting confidential information from college students who use e-cigarettes or vaping products. Participants will fill out a survey and participate in a short interview about vaping. Your name and all personal information is completely confidential.

Please contact at the number or e-mail address provided if you are!
