

## Man 2 Man Massage By Friendly LMT (Millcreek)

Location **Utah**  
<https://www.genclassifieds.com/x-461816-z>

I incorporate different modalities including Lomi Lomi (Hawaiian massage) I specialize in Deep Tissue, Trigger Point, medium and light Swedish massage. My studio is relaxing, soothing and I have a table wider than average that's very comfortable. The wider table allows me to get on the table and use the weight of my body to apply a more even, balanced pressure and I use my knees to massage the glutes similar to Thai massage. I am a friendly, open minded therapist without attitude and my intention is to create a thoughtful, comfortable, healing and therapeutic experience while addressing your needs for the best results :-)

Some words my clients have used at the conclusion of my work :

Pain Free,  
Muscles Relaxed/Loosened,  
Range of Motion returned,  
Renewed,  
Refreshed,  
Taller,  
Balanced,  
Thorough,  
Very Unique work  
Skilled.

I've had many massages all around the world and yours was the best I've ever had
