### Relationship Counseling

**FAIRMOUNT  
ASSOCIATES**  
(215) 236-6100

The two of you have been through a lot and have stuck together during hard times when you first started out. You once shared common dreams and plans for wonderful life perhaps including a family and a house.

But things have gotten off track somewhere along the line. Life's circumstances may have changed. Jobs, career choices, parenting issues, roles, expectations, and activities have caused stresses and cracks in your relationship. Your partner has changed and now seems distant, disinterested or angry.

You wonder if this relationship is still worth the effort or if it can be repaired.

Let an experienced counselor assist you in finding answers and solutions.
