Professional furniture assembly service is only a click away. Affordable Furniture Assembly is able to provide fast and effective service that consumers can count on. Why spend time with Ikea furniture assembly when you can rely on the guaranteed commitment to professional care and quality service that we can provide you?

Let us do all of the grunt work while you work on more important things around your home. By the time you're ready to relax at the end of the day, all of the assembly work will be done and you can get down to just that: relaxing with your newly assembled furniture.

We've put furniture together for years. Let us do it for you.

We Specialize in IKEA, but also assemble any major brand furniture, exercise equipment, grills, patio furniture and outdoor playsets and storage.

We arrive on the job with our own tools and extra hardware!

We service the Philadelphia area, including Wilmington and parts of South Jersey.

We offer Reasonable Weekday Rates.

We offer Evening and Sunday service at a slightly higher price.
