I'm Trent and I'd love to host your dog next time you go out of town! To contact me, enter this link into your browser: <http://sityourdogs.com/members/trent-f-loves-dogs-more-than-people/c> About Me Hi. I'm Trent. I am a highly responsible student (dually enrolled at UVM and Burlington High School) and a friend of all dogs, big and small. In my spare time, I enjoy cycling, hiking, and exploring outdoors. I have grown up in a dog-loving family and have known and loved many dogs of varying breeds and sizes, including Chihuahuas, Boxers, Shelties, Labs, Blue Heelers, Rat Terriers, English Bulldogs and many more. I understand the importance of tailoring my services and care to meet each dog's specific needs, and I am committed to maintaining your pet's normal routine while you are away. Dogs are a part of your family and chances are I will show them just as much love as you do. I often housesit for friends and family and always enjoy my interactions and time with their animals. (This year alone I have housesat for more than forty nights, on top of a jam-packed academic schedule and it has been a wonderful experience!) I will be graduating from high school in a couple of weeks, and I would love nothing more than to fill my summer caring for dogs. I am flexible and open to whatever arrangements would work best for your needs!

About My Services My rate is \$19 per night

I prefer to sit the following sizes of dogs:

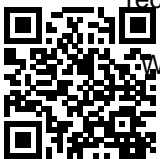

small (1-15 lbs)

medium (15-40 lbs),

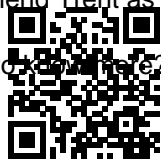

large (41-100 lbs),

giant (100+ lbs). Raves from My Customers I have 2 reviews on my Rover profile. Check out what these customers had to say: "Trent is a wonderful dog sitter. He loves your animals just as you do, and treats them with kindness and respect. Having pups of his own, he knows how it feels to leave your pups in the hands of another person. When leaving my dogs with Trent I could tell that he understood the importance of treating my dogs as well as he treats his own dogs. Trent understood the important of following the care directions I gave to help keep my dogs comfortable and happy." --Molly P. "Trent is the only person who I really trust to take care of my two senior toy-breed dogs. These dogs have specific needs and can be cantankerous at times, but Trent is respectful, sensitive, and patient. He is remarkably gentle, caring, and kind with the dogs, and he is responsive and dependable with me. He even sends daily photos, so I never worry that my pups are not being loved while I am away. I highly

recommend Trent as a pet sitter!" --Buffy D. To read more of my customer reviews, visit <http://sityourdogs.com/members/trent-f-loves-dogs-more-than-people/c>
