10 Beautiful baby rabbits \$10 each. These babies were born on April 24th .Raised on Timothy hay, romaine lettuce, spinach, kale, pellets, carrots, apples, apple sticks, pears, celery, corn, and fresh grasses from the yard. They are almost litter box trained and are very healthy little ones. They have been handled every day and petted and loved. They are the sweetest little rabbits you'll find anywhere. Please have your cage and supplies bought for the baby when you come to pick them up so they have a nice place to live when they get to your home.

You can purchase Timothy Hay at Tractor Supply and rabbits must have this for their health and their teeth. You can google how to care for if you need to. call
