Are you looking for childcare and the right place for your little one? I know it is hard leaving them and you want to be sure that they are in safe, clean, and loving home. I have that for you.

My home is available for your child and their home away from home. It is a Christian, smoke free home. I provide for you a daily report on your child and their "day". I also have a sick policy to ensure that we all stay well. You will also get a child care payment form for your taxes each year, along with a daily report on your child's "day".

I currently have an opening for Monday-Friday child care. I am accepting 6 weeks-2 years old. I provide lots of extras, including meals, all equipment and lots of toys and learning activities. I work with the children on their motor skills, social skills, manners, abc's, counting, songs, crafts and fun activities.

Let me know if I can help you out. Let me know your child care hours, a little about you and your child and their.
