Don't want or need property management services, but need help with renting your location? Don't want to pay a huge service your first month's rent? I come with 15 years in the property management industry with a highly recognized renting capability.

I charge highly competitive rates and do not make you sign an exclusivity contract. I can handle all showings, screening/background checks and lease signings. Keep your evenings/weekends free until your new tenant moves in. I can also tailor fit services to meet your needs.

Contact me today to schedule an appointment.
