Hi thanks for viewing my ad. I have been caring for infants for 16 years. I have experienced with twins triplets and preemies. I have worked with infants with colic acid reflux disease and g tubes. I have always loved working with children nothing else could bring me such joy. I have been a baby and lead infant coordinator at centers. I have work in very strict government standards and I'm also servsafe certified which is a cooking food handling certification. I have a family I have worked with since their child was 6 weeks abd they call me her second mom. I love working with families as a team and I hope we can talk about your childcare needs soon.

Daily lessons circle time, colors numbers, dancing, and singing times too. I also do sign language time too.

Thank you very much for reading my.
