life is short than you die, but some die before their time.... this ignorance of race in our country is awful. cops killing kids and women because of color. you have the right to your beleifs but so do I. As a white man in America, I dont have to see the ignorance that is here if I try hard enough. But ignorance is bliss for you, not me. I have seen racism with my own eyes and even from the police beating up a black man that was in my car. I hate racist people, especially ones who refuse to learn the reality. Sad this great country of ours has so many bigets going to hell. And talk racist to me, watch what happens. I grew up military with people of all backgrounds stood to defend our country. where were you? I hope in church praying for forgiveness for the sins we all have allowed to continue. shawn winters the mind is beyond
