Certified HVAC tech performing handyman duties in the bay area at affordable rates. HVAC techs are also certified in plumbing/electrical since it's required in the field (gas plumbing, vent work, and electrical for A/C compressor) I'm also EPA certified. I have 10 years of experience, ranging from pavers to house framing. I thrive for customer satisfaction, and always looking out for customers. Call me for additional information or need a estimate/bid. Thanks for looking, have a great day.

I can do a basic wall mount install, I can also hide all wires, and a complete home entertainment install. NO WIRES!!!

Wall Mounted Televisions- You me what you want, and I can improve your design to where you'd love it.

Call/text me for additional info/pricing
