We have very stupid posters from both sides of the isle. You can't classify all liberal into one horrific group due to one mentally ill poster from Denver. We both have our embarrassments! If you wish, I could supply you with equally childish posts written by conservatives.

I scrolled through several days of postings, and am reasonably sure that this oddball liberal is actually a conservative acting stupid to make liberals look bad. If so, shame on him! If not, shame on him!

Below is the poster in question-

Here is a post from a typical liberal. (Denver)

If you are a liberal, you're thought of much like this poster...an unemployed, filthy social deviant.

See for yourself, try to overlook his stupidity and see his vocabulary:

How much Koch could a Koch-sucker suck if a Koch-sucker could (lick Rectums?)

Answer: None.

You see, Kock-suckers just LO-O-O-O-VE that brown-scented conservative love-jelly so much that they actually consider it to be a treat. Hence the name 'Rectumlickins'.

Typical!
