Greeting,

I am a highly motivated, driven, and flexible individual looking for part-time and or full-time work to repair smartphones and tablets in a retail environment. I have over 10 years of experience in the cell phone repair industry and capable of troubleshooting, assembling and disassembling smartphones and tablets from any manufacturer.

I am an expert in this field. In addition to servicing smartphones and tablets I have experience training employees in hardware repair and customer service.

My driving purpose is to take care of your business, to make sure things go as smoothly as possible. And if for some reason they don't, I do what is necessary (within reason) to make things right.

My Technical skill-set includes:

- Soldering Techniques
- Advanced Drop Soldering process
- LCD/AMOLED -- Glass Separation
- Liquid optically-clear adhesive LCD/AMOLED Process
- Liquid Damage Treatment Process
- LCD Screen Repair
- Digitizer Repair
- Charger port Repair

Speaker Repair
Earpiece Repair
Microphone Repair
Navigation Buttons
Power/Volume Buttons
Proximity Sensors
Ambient Light Sensors
Headset Jack Repair
Vibrate Motor Repair
Micro Soldering

My ideal employer
