

# Queen Dream Foam Bamboo Mattress Very Comfortable (400 USD)

Location **Colorado**  
<https://www.genclassifieds.com/x-463104-z>

I'm selling my 6 month old queen sized Dream Foam bamboo mattress. It's super comfortable, if I had a better way to transport it, I'd bring it with me when I move across the country. Comes with box spring and frame. Not sure if I have the tools to disassemble the frame though. I'm selling it for \$400 OBO. Needs to go.
