Registered Norwegian Fjord geldings. Registration papers in hand. \$5500 for team and harness. Powder Springs, just NW of Atlanta, GA.

Budman of Windy Hill (Bud) is 13.1, 900 pounds, 15 years old. Cotton of Windy Hill (Cotton) is 13.3, 1100 pounds, 12 years old. Current coggins. Up to date on shots and de-worming and just had a hoof trim. They are cousins with the same Grandam. ONLY sold as team and with nylon harness. (Forecart not for sale.)

VERY gentle and quiet, easy to catch and will meet you at the gate. Stand for baths, farrier, body clip, can be shod. We keep them barefoot except when worked on pavement. Work great as a team. Drive awesome. Driven by beginners. Green for riding, but when they've been ridden once or twice, they were fine. We've only used them for driving because I don't have a saddle that will fit.

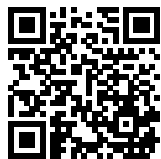

They have done parades, given wagon rides at the local rodeo and have pulled a carriage for Christmas rides at a busy outdoor shopping center. They haven't been hooked up or worked regularly since last summer and are overweight. Super easy keepers. Only selling to downsize and because we don't use them. They need an active home and a job to keep them fit.

They're honest and work great right out of the pasture after time off. Located in Powder Springs, GA, about 20 miles NW of Atlanta, GA. \$5500 for team and.
