

Reduce Your Allergy Stress

Biofeedback

In less than 5 minutes, this non-invasive scanning process can check for the following and help you with the process to attain a life of balance :

- Allergic Reactivity & Desensitization
- Food Sensitivities
- Emotional Release
- Mental Energy
- Organ Function
- Stress Reduction
- Toxicities—*exposure to excess chemicals, heavy metals & mercury*
- Trauma—*physical, psychological, emotional & spiritual*
- Pathogens—*bacteria, fungi, viruses & parasites*
