1997 7.3 f250

Truck was sent down to California in 2007 and had a frame off restoration done, had 130,000 when it was sent down so about 10,000 since rebuilt.
 It has a 2008 frame powder coated with coil spring front end
 New front and rear end
 Motor was rebuilt and had a banks setup put on it including aftercooler, turbo, intake, chip, 4 inch exhaust
 Transmission was also rebuilt and have a banks billet torque converter put it transfer case rebuilt, has a banks trans commander
 Interior was redone with all leather black and red
 Had it repainted
 Two 45 gallon fuel tanks powder coated also
 Diamond plate rear bumper
 Gauges boost and egt
 Toyo open country tires 33 12.50 good tread almost new with 18 inch rims

There's about \$50,000 put into this truck have paperwork for the stuff done.
 Thinking about \$18,000 but willing to trade for cummins
