The Early Learning Academy is now registering children 3-6 yrs old. Our Summer program offers full time care, (or two or three days per week option, as well as week to week enrollment for families who may be traveling.) We also offer our standard full-day, year round care. We have a theme each week, where curriculum and activities are integrated with the topic. For example, during Bird Week, the children will study and read about birds, discuss life cycle and habits, make their own nests, bird-feeders, culminating in a field trip to the Bird Boardwalk. We also enjoy trips to the Loussac Library Read-Aloud, the Zoo, Local Parks, and Imaginarium, just to name a few.

Full Time care (7:30 am -- 5:30 pm) is \$850/mo. 3 Full days \$615, 2 Full Days \$490. Call for the weekly rate if interested in week to week enrollment.

Child Care Assistance and CITCI Accepted.
