

Acura RSX Type S 2002 82K (7200 USD)

Location **California**
<https://www.genclassifieds.com/x-463464-z>

Excellent condition. Oil Change and service every 3000 miles. All minor an major services are up to date. New brakes, new clutch, new motor for the locks, Everything works perfectly. Drives smoothly, corners on rails, great gas Millage. All leather seats. Climate Control.

The most reliable car I have ever owned.

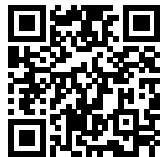

There are some scuff marks, but nothing too noticeable. There is a small tear in the front driver seat. This seams to be the norm on these bucket seats from natural ware and tear.

Only 82K mileage.

Expanding with family and unfortunately this 2 door Sports car is not super baby seat friendly.
