Hi everyone

Okay a lot of ads, so I will cut to the chase and give you the bottom line and let the music and performance speak for themselves. We have an opportunity for a multi faceted drummer.

Bottom Line: I believe we need an EXPERT LEVEL metal precision drummer for a working original band (although that is not what we are limited to, I could never explain what it is, just let the vids do the talking, we are booked). Booking as we speak, so respond asap. We will fill you in on all the details or answer any questions. We are the real deal, hope you are as well, and thank you so much for the opportunity.

We hope to hear from you asap, *please include your contact info. (Not for bs, just so we can call ya lol)

email is revolutionmaker @ aol . com

Here is our latest video of live footage as well as 3 official videos, please watch and thank you.
