Midtown Doors and Services has been operating in the Omaha area since 2011 and has an A+ Better Business Bureau rating. We repair and install garage doors and garage door openers. Our rates are extremely competitive and we won't be undersold. We install high quality professional garage doors from Midland Garage Door Manufacturing Company and garage door openers from Liftmaster. No job is too big or too small for us.

- 7' Liftmaster 8365 with 2 Remotes and a Keypad Installed for \$280
- 9'x7' Non Insulated Installed for \$435
- 9'x7' Double Sided Steel with Insulation Sandwiched in the Middle Installed for \$600
- 16'x7' Vinyl Back Insulated Garage Door Installed for \$775

We will install customer owned garage doors and openers as well for great rates. Midtown Doors will beat any written bid from any other company. Check out our great reviews online, links below. Call us today for your garage door needs. Please use the craigslist contact button at the top to call/text/email us. Thank you!
