Aloha fellow Christian Business Owners,

I'm looking for Christian Business Owners who want to network with each other, and thereby fulfill the Biblical principle of Christians doing business with Christians. Secondly, our businesses would be used as a witness to the world around us we serve, that we do business with integrity. Furthermore, we would encourage each other to witness to the world around us i.e. our customers, through words of Scripture dropped into our conversations with our customers in hopes that they would also accept God's free gift of Salvation through Jesus our Messiah. We would also distinguish ourselves by living a lifestyle that is consistent with Scripture, to our greatest efforts, with lots of Grace!

I'm a new businessman in the Maui area with extended family spread across three islands. Moved here from Texas. Hoping this is my last stop before going home to be with the Lord. I do Bookkeeping, Tax Preparation, Financial Planning, Estate Planning, Fund Brokering, and Legal Service Plans, etc... I can do most of that in all 50 States, and Legal Service Plans in most of the 50 States and some provinces of Canada. Please reply to this posting if interested in forming a group, or point me in the direction of one that already exists in this area.

Blessings to you all in Messiah,
