Aloha, My name is Brian and I 'm a Real Estate Investor. I barely graduated from high school and learned all my RE investing from plain common sense. Today I'm a self made millionaire, I 'll show you how to invest tomorrow or in your future. I will not talk about my past, like most instructors, all their doing is showing off to you about how lucky they was in the past!!!

General learning agenda:

- 1- Buy Real Estate without seeing it - Don't sell the Real Estate without seeing it
- 2- Time vs Value
- 3- Income vs Appreciation
- 4- Bonus: I'll give you the only right answer a) Why is Cash King b) Why does real estate value goes up and down.

I 'll run a FREE lesson once a month. Call me if your interested

What you will NOT find here, is sales pitches, high membership prices, and negativity! No 'surprises' that those claiming to be "local RE Investors" turn out to be nothing more than multi-level.
