Hi, my name is Bridget. I am a sahm of three girls ages 5,7,9. I have been caring for families in our home for two years now. I have excellent references from all my families I have cared for. I offer a family fun loving learning environment. I currently care for two kids full time, ages 2 & 3. I offer drop in care, part time and full time. I have flexible hours and great rates. Our home is smoke and pet free. Please feel free to ask any questions. Thank you for your time.
