Hello, I'm a 50 year young guy thinking seriously about going to the 2015 Rainbow Gathering. (July 1 - 8) It'll be my third one... we don't know what state it's in yet (remains undecided until June) but if you're considering, float me an email and tell me a bit about yourself. I'm driving my station wagon there and will sleep in it. You probably need to bring a tent..
