

Yellowside Greencheek Babies for handfeeding (homestead)

Location Florida https://www.genclassifieds.com/x-464383-z

I have 2 yellowside babies ready to fledged and two that are only about 3 weeks old.

they need to be hamd fed. the older ones wont need to be fed as long, but will need work for socialization. the younger ones are at the perfect age to be angels. they are \$100 each.

the older ones can be bought as singles but the younger ones need to go together.

I also have a 1-week old pineapple

these birds are from 3 unrelated sets of parents...the pare ts are all available as well... \$450/pr

Take all 5 birds for \$400 (20% off)

this special offer is only available for a week or until one or more of the babies is.
