Everyone meet sugar a 8 year old mare!!! she has been their done that . she has ran barrel, poles, roped off, trail rides, and the extreme trail riding . Everything that I ask this mare to do she does with no problem. I hate to sell this mare but I don't use her as much as someone else can. No lameness issues. she is up to date on shot and her teeth. she just had shoes put on since we have been doing a lot of trail riding with her and barrel racing. I would say she has to have a aggressive rider since she can be pushy and know how to get away with things if not corrected . I have had a 15 year old girl ride her with no problem but she had to be firm with this mare!! any more questions feel free to ask! I have a indoor to try her out in. vet check is welcomed on buyers expense .
