Offering 25% discount through the end of this month! What I Do Hello, my name is Ralph Reid Harris. I'm a freelance web designer and coder and also have various other projects. I run a part-time Laptop repair business and love to get "under the hood" on a project. I'm an adventurer at heart and scientist in mind. My children are the light of my life and I do everything in this world with them in mind:) I do commercial and individual website design and I will personally sit down with you. Web Design Site From Scratch - Whether it's business or personal, I can get you up and running Web commerce conversion - Ready to sell your products online? Call today to get started! SEO - Get on the first page of Google Results with our one of a kind system to out rank your competitors Wordpress site or Blog- Add a blog to your Site and get your customers involved in your product Thanks for Looking! Ralph Reid Harris, 707 E North St

Pass Christian, Ms 39571
