We are having to rehome our 1 yo male chihuahua. He's completely deaf so he needs someone that can make sure he won't get outside and run away. He loves to be around people all the time. He's housebroken and playful. My Lil guy has lots of energy. I recently started working a full time job that has me working long hours and he doesnt get the attention he used to anymore. He gets along with cats,kids,and other dogs. I hate to make this painful decision but I know he deserves the best. I'm asking a 150.00 rehome fee. He's full blooded
