WANTED: MALE LEAD VOCALIST IN CHICAGO FOR CURRENT TOP 40's COVER BAND! (Ages 25-35)

Seeking a high-energy male lead vocalist to front the band alongside our female lead vocalist.

Are you ready to take center stage and cover some of today's most popular artists such as Bruno Mars, Ariana Grande, Robin Thicke, Lady Gaga, Pitbull, Katy Perry, Zedd, Nicki Minaj, David Guetta, Sia, etc?!

Your responsibilities will include (but are not limited to): lead/backup/harmony vocals, crowd hype, choreography, phenomenal stage presence, and style! Rap skills not necessary, but are a definite plus!

**\*\*Also seeking a member with experience creating backing tracks\*\***

What makes you stand out as a valuable asset compared to "the other guys?" Show us what you've got!

This band will consist of 5 members: Male & Female Vocalists, drums, bass and guitar

Performance with click tracks accompanied by PRO-LEVEL Backing tracks.

Seeking representation from only the top booking agencies in the Chicagoland area!

## PLEASE NOTE THE FOLLOWING:

This is a **RECRUITING** for a **MALE** coming from its member.  
An open audition/weekend audition will be **MALE** only.  
Band members must be **MALE** and playing out here from **MALE** a week. No much of a schedule, please do not include.  
Must be able to get to the venue/meeting place by public transit or own vehicle.  
-- Seeking only pro-level members that have a great time together. Interaction off stage is just as important (if not more important) than our performance on stage!  
-- **NO DRUGS ALLOWED** members must be fun, creative and ready to contribute. All for one and one for all.  
Patience is a virtue: This is a band building from square one so being patient and realizing this is a process is **VERY** important. Anything worth doing is worth doing right.

If selected, potential candidates will be contacted within 1 week of email submission closing and will be given further requests/instructions. We will not know how long the audition process will be until we see how many possibilities we are dealing with, so patience is appreciated.
