1977 Ranger 1600V boat with 40 HP Evinrude outboard.

Will separate boat and motor. Boat is \$1200 motor is \$400.

Boat has been in the family for many years. Is has a new floor, new livewell, new livewell pump and circulation pump. New bilge pump. Great walleye boat!

Motor has new points and condensers as well as a new primary coil. Runs a little rough. Needs points alignment with the crank. Then it should run well. Compression is 100 lbs in each cylinder. New carb kit also.

Please, serious.
