I am a mom who has been very blessed working right from my home as a Manufacture Representative. Our team of fun supportive moms is looking to train a few additional representatives in the Idaho area.

The position is part or full-time, flexible hours, and is mostly done from a home office.

We are NOT distributors or in the home party business. It is a legitimate business that has had the most success in the home office based industry. No buy-ins, No inventory, and No Pressure.

Reputable Company Credentials:

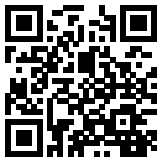

- Our company is one of the largest e-commerce co. in the world
- Adding 30,000-50,000 new customer monthly
- \$1.2 billion in annual sales
- Inc. 500 Hall of Fame for one of the fastest growing private business in the country
- A Better Business Bureau AAA rating

If you are interested in getting more information to see if this would be a good fit, please feel free to Email me with your contact information, to schedule an interview today! Thank you and make each and every day a blessing!
