I need someone with a truck to pick up a patio set in South East Boise (Federal Way near Albertsons) and deliver it to South Meridian (Eagle Rd./Victory). The table is a six person table and it has 6 chairs so you will need a truck.. It may require two trips to get all of the chairs.

I am purchasing the patio set and have an appointment with the seller to be there at 8 p.m. So you need to be in South East Boise at 8:00 p.m.

Please email.
