Single hard working guy...days tues-sat so a second shift person would be good; third shift maybe even better. That way we can have the place to ourselves. I'm moving in June 1st so I thought July 1st might work Let me know if you're in a fix. Been there.

I'm 54...looking to rent a small bedroom; the rest is a share, which includes fair sized living area, kitchen, pantry, small back yard...but we can grill!

Female preferred...it's worked out in the past.

Landlord is fixing the place up...it should be a nice deal once done.

\$500.00 mo. all utilities incl. No cable or wi-fi though...this stuff is so expensive...we'll work it out.
