We are a Christian metal band so ideally we are looking for a Christian vocalist as well. Our vocalist is sadly moving to Florida. He will be greatly missed.

I am one of the guitar players. My influences are August Burns Red, Killswitch Engage, As I Lay Dying, Haste the Day, Darkest Hour, Poison the Well, Phinehas, War of Ages and so on. We have one song recorded but are currently in the process of recording 5 more tracks.

It would be nice to find someone who could sing in key on and off of the stage and have a range of screams. Someone who can be dynamic. If you're interested check out our facebook page and our lyric video for our song Uprising. Most of our other songs are heavier and are more complex but maintain melody and have a lot of lead guitar and solos. This song is our simplest example of how we sound until we finish recording our other songs. Although I will include a link to our live set which is actually decent quality audio wise.

Feel free to text me or email me. I do work nights so I apologize if it takes a while for me to get back to you.
