

# Seamstress located in PHILADELPHIA

Location **Pennsylvania**  
<https://www.genclassifieds.com/x-465731-z>

Hi, I am looking for a seamstress or anyone who knows how to sew well (ex: a student looking to boost their resume) in the Philadelphia area that can help me with a project I am working on. Very simple patterns that you would follow- I would need about 15-20 hours and you would make \$12 and hour.

E-mail me for more details.

Thanks,
